The services and equipment being procured by this Contract No. _____ are in furtherance of the _____ Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

The purpose of this action is to cancel the funding action resulting from Amendment No. 3 which was not executed (see Contractor's letter Oct. 17, 1967). The budget officer in Finance, _____ affirms the action herein as correct as he has since located additional funding of this type to cover the situation.

NOTE: The delay in processing the above is the result of the negotiator inadvertently misplacing the back-up data.
